

OMEGA 3 RICH
LEG UP
 EXTRUDED COLD PRESSED
 RAPESEED MEAL

High Protein, Low Starch Feed Supplement

Leg Up Extruded Meal contains New Zealand grown GE free rapeseed. This product has been cold pressed without the use of heat or chemicals, to ensure all nutritional benefits are retained. The meal is then extruded to improve the digestion of the product for the horse and to improve the palatability. Leg Up Extruded Meal is not a complete feed and therefore should applied into a balanced diet.

Key Benefits:

- Premium quality protein to improve body condition & building topline
- Low in starch providing a cool source of energy
- Omega 3 and 6 fatty acids for coat shine and healthy skin
- Rich in essential amino acids including methionine to support healthy and strong hooves
- Extruded to provide calories in a highly digestible form

For Best Results:

- Adjust the following feeding rates depending upon condition and level of work
- Feed in conjunction with forage (pasture, hay and/or chaff)
- Feed in conjunction with Leg Up Performance Oil for optimal coat shine and joint health
- Leg Up Extruded Meal does not contain added vitamins and minerals and should be fed as part of a balanced diet
