

<b>PRODUCT NAME:</b>	<b>Biofuel (B100)</b>
<b>PRODUCT CODE:</b>	INDUS-BIO-BOIL-B100-1000L
<b>DESCRIPTION:</b>	Methyl esters of fatty acids manufactured from used cooking oil collected from our customers who purchased RBD cooking oils (canola oil, high oleic canola oil and high oleic sunflower oil).  Not for human consumption
<b>PHYSICAL PROPERTIES:</b>	Colour: Light to dark yellow Appearance: Liquid Odour: Typical, bland  All results at time of manufacture
<b>COMPOSITION:</b>	Methyl esters of fatty acids
<b>ORIGIN:</b>	Vegetable oils are of New Zealand and Australian origin.
<b>TECHNICAL DATA:</b>	Ester Content: $\geq 96.5\%$ Density at 15°C: 0.86-0.90 g/cm <sup>3</sup> Viscosity at 40°C: 1.9-6.0 mm <sup>2</sup> /s Flash Point: $> 150^{\circ}\text{C}$ Sulfur Content: $\leq 15$ ppm Water Content: $\leq 0.05\%$ (500 mg/kg) Acid Number: $\leq 0.5$ mg KOH/g Iodine Value: $\leq 120$ g I <sub>2</sub> /100g Oxidation Stability at 110°C: $\geq 6$ hours
<b>PACKAGING:</b>	Bulk, 1000L IBC or Pallecon
<b>STORAGE:</b>	Clean, dry areas away from heat and odorous products
<b>SHELF LIFE:</b>	Dependant on packaging 1,000L IBC or Pallecon – 6 months from date of manufacture under ideal storage conditions

All information and recommendations are based on tests and research believed to be reliable. No guarantee of their accuracy is made however. Since the manufacturers have no control over the conditions under which the products are transported, stored, handled or used by the purchasers, all recommendations and sales are made on the condition that the manufacturers and sellers will not be liable for any damages resulting from their use. No representatives of the manufacturers has any authority to waive or change the above provisions but our technical staff are available to assist purchasers in adapting the forementioned products to their needs and circumstances. Nothing contained herein shall imply a recommendation to infringe any patents now or thereafter in existence. All ingredients and GMO or other ingredient statements for this comply with New Zealand Food regulations and are subject to change. Customers exporting this product or finished items made from this product, should check the regulations of the importing company product.
